Commissioner for Patents  
P.O. 1450  
Alexandria, VA 22313-1450

Dear Sir:

Pursuant to their Duty of Disclosure, Applicants submit herewith information for consideration in this case. U.S. Application Nos. 10/570830, 10/570832 (which has been patented as U.S. Patent 7,774,436), and 12/829748 (a continuation application of 10/570832) all claim priority to provisional application 60/501231. The current Application also claims priority to provisional application 60/501231. Office Actions were mailed on October 29, 2008, June 3, 2009, August 10, 2009, October 2, 2009 and March 30, 2010 during the prosecution of U.S. Application No. 10/570830. Meanwhile, Office Actions were mailed on February 21, 2008, January 7, 2009, April 3, 2009, and November 5, 2009 during the prosecution of U.S. Application No. 10/570832.

By making this submission, Applicants make no admissions or representations regarding this information, and Applicants reserve the right to distinguish and/or disqualify the materials should they be cited against the claims of this Application.

Respectfully submitted,

Dated: December 16, 2010
